DEMOCRATIC NOMINEES

.. JAS. B M'CREARY For County Judge JAS. WALKER GIVENS ...J. B. PAXTON T. D. NEWLAND .G. W. DEBORI

THE democratic convention at Middlesboro nominated Hon. Geo. E. Stone, of Casey, for Congress in the 11th district. All the counties were represented and great interest was manifested. The candidates were Gov. Hindman, Gilbert C. Garrard, John D. Black and S. C. Hardin. After the 15th ballot the Hindman was then re-nominated and soon obtained, the nomination being made on the 21st ballot with Stone 64 and Black 46 votes. Black and Garrard made short speeches pledging their support to the nominee, and the convention nomination is an excellent one. Mr. attainments and is a most eloquent and attractive speaker. Though repeatedly importuned by friends to stand for office his retiring disposition and modesty have heretofore kept him from seeking politcal preferment. He was born in Russell county about 46 years ago, and is the son of Bonaparte Stone, who was a gallant Confederate soldier. Deprived of a father's care at the time he most needed it, George had to strike for himself. He secured a fair education and with his brother, Hon. J. Boyle Stone, studied law. Obtaining license to practice, they formed a partnership, and their firm is now widely known and much sought after by litigants. Mr. Stone's mother was a daughter of Hon. Bryant Y. Owsley, a near relative of Gov. Owsley, and a man about his Rhinecliff home. of high attainments. He served a term or two in Congress back in the 40s and was otherwise honored by an admiring constituency. In speaking of Mr. Stone, Col. T. P. Hill said: "He is, everything considered, the noblest man I know and a most deserving one. Self-made, reliable, honorable, industrious, sober, pure in habits and as modest as a woman, with the courage of a lion when necessary. He is a born lawyer of high ability and will be an ornament to Congress." If the present row in the republican camp continues, Mr. Stone is certain to were caught in Maryland with some of be the next Congressman from the 11th and he will at once take rank with the best men in the body. The democrats of that district have a glorious possibilin sight and they will be on their mettle from the start. Let them go in to win and victory will be theirs.

Hon. W. C. Owens made the Roaring Bull of Bashan take water at Paris Monday. In his usually irresponsible way Mr. Denny had charged that Mr. Owens' nomination had been procured by fraud, when the Scott county man retorted: " paid no attention to such charges made by democrats in the heart of disappointment, but when Denny in cold blood sticks his nose into our family fight and charges either directly or indirectly that my nomination was obtained by fraud or is tainted with fraud, then I say to him that the charge is a deliberate falsehood and infamous slander. I trust that this may either make a clear issue between us on that subject or eliminate that question from the canyass altogether." The bull bellowed at this direct charge of lying, but he took good pains not to say anything that there was anything in. The republicans are claiming that Denny is making big inroads into the democratic ranks, but all the same Owens will be elected by from 6,000 to 9,000 majority.

AT the last Congressional election there were 28,729 votes cast in the 11th district, divided as follows: Col. Silas Adams 17,087; Gov. Hindman 10,483 and the populist 1,259. On the same vote this time, with three or even two republicans on the track, it will be seen that the democratic nominee can easily win. The probability, too, is that the democratic vote will be largely increased. In 1892 there was nothing to stimulate the democrate in a hopeless struggle. This year the prize is in sight and they will use every endeavor to get it. The bloody 11th can and must be redeemed.

THE C. H. & D. syndicate practically secured control of the Queen & Crescent maries in the 6th district indicated the at the election of directors Monday. The renomination of Congressman Berry on Thomas-Brice crowd was turned com. the first ballot in the convention at Walpletely down, only two of the old board being elected and they were on both tickets.
